

4A

Yacht Type: **Motor** • Architect: **Francesco Paszkowski**

Length: 39.4m • Year Built: **2007** • Cabins: **5** • Guest Capacity: **10**

Description

At 39.4 metres, 4A is a rare fusion of design pedigree and modern performance. Her aluminium build, striking metallic silver hull, and clean sculpted lines command attention in every harbour she graces. Fold-down balconies in both the saloon and master suite dissolve the boundary between interior and ocean, while the full-beam aft beach club delivers a barefoot-to-water experience that is simply unmatched.

The sun deck — appointed with a bar, daybeds, BBQ, and a sweeping awning — is designed for those golden afternoons that drift effortlessly into evening. Five beautifully appointed ensuite cabins welcome up to ten guests in genuine comfort, and when adventure calls, a full collection of toys stands ready: Seabobs, paddleboards, snorkelling gear, and a child-friendly netted pool for the youngest explorers on board.

Inclusion Zones

Fiji, New Zealand, Australia

Amenities & Entertainment

Available Toys
