Description

All About U 2 is a 50-metre luxury sailing yacht built in 2019 by Ada Yacht Works — a vessel of graceful proportion and considered design, her interiors crafted with the same care and attention that defines her hull. Twelve guests are accommodated across six en-suite cabins — a master suite, a VIP cabin, and four double cabins, each appointed with king-size beds — attended by a crew of ten whose dedication sets the tone for every day on board.

Cruising at 10 knots with a top speed of 15 knots, All About U 2 moves through the water with the quiet elegance that only a true sailing yacht can offer.
