Description

Argo is a brand new custom-built 55-metre luxury yacht of extraordinary scale and ambition — a five-deck floating resort that turns heads wherever she goes. Her elegant design and impressive proportions make her an undeniable presence, while an endless selection of water toys and expansive sunbathing areas ensure that life on board is as exhilarating as it is indulgent.

She accommodates up to 26 guests across 13 luxurious cabins — a master suite, a VIP suite, nine double cabins, and two twins — each a private sanctuary designed for total comfort and seclusion. Fifteen dedicated crew members deliver first-class service throughout, ensuring every guest's experience is as seamless as it is memorable.

Argo is a yacht that needs to be experienced to be fully understood.
