Description

Asia Poseidon is a contemporary Italian motor yacht where modern design and enduring elegance meet in effortless accord. Her exterior cuts a commanding presence on the water — purposeful, refined, and unmistakably of the moment.

Both inside and out, her spaces are luxuriously appointed for every mood — intimate conversation, private retreat, or convivial gatherings that spill from one generous deck to the next. Zero-speed stabilisers ensure a smooth, comfortable experience whether underway or settled at anchor, a quiet reassurance for even the most sensitive of guests.

Every voyage aboard Asia Poseidon is shaped entirely around those on board — from languid tropical days and starlit evenings on deck, to onboard wellness and exhilarating water sports. No two journeys are ever quite the same.
