Description

BAYC Asia is a Monte Carlo Yachts MCY 86 built in 2015 and thoughtfully refitted in 2023, presenting today in impeccable condition with a tastefully designed interior and a host of carefully considered upgrades throughout.

She accommodates eight guests across four private cabins, each with its own en-suite bathroom. On deck, her outdoor spaces are genuinely impressive — a bow lounge for golden hour gatherings, a fully covered flybridge for shade and views in equal measure, and a generous cockpit made for easy, convivial living. An advanced stabilising system ensures comfort whether underway or at anchor, while a hydraulic bathing platform makes the transition between yacht and ocean entirely seamless.

Whether discovering the day-trip gems around Phuket or embarking on a longer exploration of the Andaman Sea, BAYC Asia is a yacht that rises to every occasion
