

BEYOND BEYOND

Yacht Type: **Motor**

Length: **28.5m** • Year Built: **2019** • Cabins: **4** • Guest Capacity: **6**

Description

Beyond Beyond is a Riva 90 Argo of striking presence and effortless Italian elegance — beautifully conceived by Officina Italiana Design in partnership with the Ferretti Group, and as impressive in performance as she is in appearance.

Six guests are accommodated across four staterooms. The full-beam owner's suite forward of the dining table sets a refined tone — a king-size bed, a comfortable lounge area, generous natural light through large windows, and an en-suite with double vanity and spacious shower. On the lower deck, a full-beam VIP suite, a queen cabin, and a convertible twin each offer their own private en-suite sanctuary. Full-length side windows throughout the main deck open onto the walk-around deck, inviting the ocean breeze to become part of the onboard experience.

The flybridge is where the evenings truly come alive — a wet bar, dining, and lounge seating gather beneath a retractable awning that opens to a canopy of stars, making every night on board feel like an occasion.

With a professional crew on hand and a yacht this beautiful beneath your feet, Beyond Beyond lives up to its name in every sense.

Inclusion Zones

Bahamas, Florida, US, United States, United States of America, United States of America
