## Description

Bo is a 33-metre Overmarine Mangusta motor yacht built in 2010 and refit in 2018 — a thoroughbred of the open seas whose performance is as impressive as her presence. Cruising at 26 knots with a top speed of 30 knots, she covers water with an effortless urgency that sets her apart from the fleet.

Eight guests are accommodated across four cabins — three doubles and a twin — attended by a crew of five dedicated to ensuring every moment on board is as seamless as the yacht's passage through the water.
