Description

Carpe Diem is a 2023 Azimut motor yacht that embodies the very essence of contemporary Italian design — sleek, purposeful, and thoroughly alive. Her open-plan layout, floor-to-ceiling windows, and refined interiors strike a balance between elegance and effortless relaxation that is immediately felt on board.

The aft alfresco lounge flows naturally into a main salon flooded with natural light, where plush white sofas, a drop-down TV, and sophisticated finishes create the perfect setting for lazy movie afternoons or pre-dinner cocktails. Forward, a formal dining area frames panoramic views of the cruising grounds in the most cinematic fashion.

Ten guests are accommodated across four staterooms and a convertible fifth cabin. The full-beam main deck master suite is a genuine highlight — floor-to-ceiling windows, marble finishes, double vanities, and a rainfall shower elevating it to something closer to a spa retreat. Below, two queen VIP cabins, a twin, and a versatile gym cabin complete with Peloton, weights, and yoga mats round out the accommodation. A crew of five attends to every detail throughout.
