

CELESTIA

Yacht Type: **Sailing**

Length: **45m** • Year Built: **2023** • Cabins: **7** • Guest Capacity: **14**

Description

An inky night sky alive with stars. Waves whispering against the hull. The profound stillness of drifting through islands that time has barely touched. This is life aboard Celestia.

This 45-metre custom phinisi yacht is built by hand by the legendary Bulukumba boatbuilders of Sulawesi, guided by centuries of UNESCO-recognised tradition and reimagined for the modern age by a team of true visionaries. Seven staterooms accommodate up to fourteen guests, attended by a devoted crew of seventeen whose warmth and expertise set the tone for every day on board.

Celestia sails Indonesia's most extraordinary waters — Raja Ampat, Komodo National Park, the Spice Islands, and beyond into the heart of the Coral Triangle — each destination more captivating than the last. By day, the archipelago unfolds through world-class diving, snorkelling, kayaking, paddleboarding, wakeboarding, island-hopping, birdwatching, and nature hikes. As evening falls, private beach dinners, massage treatments, and boundless stargazing bring the day to a close in the most unhurried, memorable fashion.

Amenities & Entertainment

Available Toys
