Description

Coral Ocean is a 72.80-metre Lürssen megayacht of enduring distinction — built in 1994 and comprehensively refit in 2022, her interiors bearing the celebrated signature of Bannenberg & Rowell. Three decades on, she remains a vessel of rare gravitas and timeless appeal.

A crew of twenty-two attends to twelve guests across six beautifully appointed cabins: a primary suite with a king-size bed and en-suite bathroom, three further king cabins, and two twin cabins — each with their own private facilities. Cruising comfortably at 13 knots with a top speed of 15 knots, Coral Ocean moves through the water with the quiet authority of a yacht that has seen the world and knows exactly what she is.
