

CUPCAKE

Yacht Type: **Sailing** • Architect: Carr Design

Length: **40.3m** • Year Built: **2000** • Cabins: **5** • Guest Capacity: **12**

Description

Cupcake is a 132-foot Westship motor yacht that charms from the very first glance — her signature palette of cream and turquoise, accented with mother-of-pearl touches, creating an atmosphere that is as calming as it is quietly luxurious. A devoted crew of seven stands ready to ensure the Caribbean trip of a lifetime.

The on-deck full-beam owner's suite sets an indulgent tone — a king-size berth, a separate shower, and a deep jacuzzi bathtub making it a sanctuary well worth returning to. Below, four further staterooms offer a king, two queens, and a versatile fifth cabin with a queen, twin, and Pullman berth, each freshly refit with new tilework, fixtures, and generous storage throughout.

The main salon is bright and welcoming, with panoramic windows, a multi-stool bar, a large flat-screen TV, and formal dining for twelve. One deck up, the sky lounge raises the stakes — a custom blackjack table, a cocktail bar, and a large smart TV create a space built for evenings that go well past midnight. Step outside and sun loungers await, while the sundeck above delivers a jacuzzi, wet bar, lounging pad, and shaded dining tables for those who prefer their afternoons a little slower.
