Description

Dinaïa is a 32-metre motor yacht of contemporary elegance, accommodating up to ten guests across five exceptionally appointed staterooms. The full-beam master suite on the main deck is a sanctuary of light and space — floor-to-ceiling windows, a private dressing room, and a generous bathroom setting a tone of quiet opulence that carries throughout the vessel. Below, four lavish suites complete the accommodation: two VIP cabins with queen-size beds and two doubles with kings, each with its own en-suite facilities.

The main salon is a study in considered refinement — finely grained woods, luxurious fabrics, and eco-friendly materials woven together into a contemporary interior with a lingering hint of indulgence. The dining area, thoughtfully designed for convivial gatherings, is where masterfully tailored cuisine and good company meet.

On deck, Dinaïa offers a wealth of versatile outdoor living. The panoramic sun deck hosts a chic bar and generous sunbeds, while the bridge deck is made for relaxed alfresco BBQ dining. Forward, the bow lounge is the quintessential spot to soak up the Aegean sun or watch it melt into the horizon over a perfectly timed cocktail.
