

FENG

Yacht Type: **Catamaran** • Architect: **Sunreef Yachts**

Length: **22m** • Year Built: **2013** • Cabins: **4** • Guest Capacity: **8**

Description

The Sunreef 70 is a sailing catamaran that rises to meet the expectations of even the most discerning charterer — and then surpasses them. Certified as an ocean-going vessel with proven performance in the most demanding conditions, she combines serious bluewater capability with the kind of generous, light-filled spaces that make every day aboard feel like an occasion.

Her exterior decks are expansive and inviting, designed for living well at sea. The flybridge — a hallmark of every Sunreef yacht — reigns above it all, offering commanding views and a natural gathering place from sunrise to starset. Below, the interior is equally impressive: a bright, airy saloon with plush sofas, panoramic windows framing ever-changing seascapes, and a dining area for eight anchored by two coffee tables that cleverly unite into one grand centrepiece. A large 40-inch LCD screen, a premium sound system, and an internal helm station complete the picture of relaxed sophistication.

The fully equipped galley ensures that culinary ambitions are never constrained by distance from shore, while the layout's thoughtful customisation options mean every charter can be tailored to its guests' desires.

Inclusion Zones
