

GHOST III

Yacht Type: **Motor**

Length: **49.2m** • Year Built: **2012** • Cabins: **6** • Guest Capacity: **12**

Description

The magnificent 49-metre Ghost III is a study in sophisticated luxury, her elegant interiors conceived by the acclaimed Maja von Dewitz and her aluminium hull built by Acico in 2012. Formerly known as Nassima, she accommodates twelve guests across six beautifully appointed cabins, attended by a professional crew of eleven dedicated to delivering a flawless experience at every turn.

Twin Caterpillar engines power her to a cruising speed of 13 knots and a top speed of 22 knots, with an extraordinary range of 8,600 nautical miles ensuring the Mediterranean is hers to explore without constraint.

On board, every amenity has been considered — a fully equipped gym, a deck jacuzzi, and ship-wide Wi-Fi among them. Her toy collection is equally impressive: a thrilling sun deck waterslide, two SeaDoo WaveRunners, a Seabob, wakeboards, water skis, scuba diving equipment, and an array of inflatable toys ensure adventure is never far away. A sleek 11-metre Fjord Jet Tender stands ready for stylish shore excursions whenever the mood strikes.
