Description

Good Life is a 35-metre custom gulet built in 2021 — a beautifully crafted vessel that embodies the unhurried art of sailing in the most gracious tradition. Ten guests are accommodated across five cabins — a master and four doubles — attended by a crew of six whose warmth and attentiveness set the tone for every day on board.

Cruising at 10 knots with a top speed of 12 knots, Good Life moves through the water at exactly the right pace — slowly enough to savour every moment, and every view.
