Description

Kayra is a 38-metre luxury yacht conceived as a floating sanctuary — a place where wellness and the open sea exist in perfect harmony. She welcomes up to eight guests across four beautifully designed cabins, each a restful retreat in its own right.

The bridge deck master suite is nothing short of breathtaking — a panoramic 270-degree outlook frames the horizon on all sides, while a spacious en-suite bathroom with a deep soaking bathtub invites complete surrender. Steps away, a spa room, gym, sauna, and ice bath form a dedicated wellness haven, complemented by a private sunbathing area on the captain's bridge. The VIP cabin on the main deck opens onto its own balcony, offering an intimate, ever-present connection to the sea.

On deck, alfresco dining on the foredeck sets the scene for starlit evenings and languid, breeze-filled afternoons, while the top deck lounge, bar, and jacuzzi bring the day to a close in quiet, unhurried luxury.
