Description

Khalilah is a yacht that announces herself before you even step aboard — her striking gold exterior a declaration of personality and confidence that is impossible to ignore. Built in 2014 and refitted in 2020, she accommodates up to eleven guests across five staterooms, with a matching golden tender completing the picture in the most delightful fashion.

Her outdoor spaces are made for long, social days on the water — a generous main deck aft for dining and sundowner gatherings, and a more intimate sundeck seating area perfect for quieter moments and unhurried alfresco meals. The sundeck jacuzzi invites guests to linger well past sunset.

Inside, Khalilah is bright, contemporary, and immediately welcoming. Skylights and impressive floor-to-ceiling salon windows flood the interior with natural light, creating an atmosphere that is as uplifting as the views beyond the glass.
