

KIJO

Yacht Type: **Motor** • Architect: **Heesen Yachts Design Team**

Length: **44m** • Year Built: **2003** • Cabins: **5** • Guest Capacity: **12**

Description

Kijo is a motor yacht of Italian-inspired elegance, her sumptuous interiors a captivating blend of rich purples, reds, and greys set against warm espresso wood floors — a colour palette that is bold, considered, and entirely her own. She accommodates twelve guests across five luxury cabins, making her a natural choice for families and groups who want to travel together in genuine style.

The spacious saloon is the social heart of the yacht — open, light-filled, and anchored by two generous sofas, a large dining table, and a wet bar. Beneath the modern helm station, a state-of-the-art home cinema and entertainment area with an extensive library of music and films awaits those seeking something more immersive.

The aft deck has been masterfully laid out for effortless entertaining, complete with sun pads, a stylish cocktail bar, built-in sofas, and a shaded retreat. An extended swim platform connects guests seamlessly to the water and the toys beyond.

The master cabin offers ample living space and the latest in onboard entertainment, while the VIP cabin and adjoining stateroom are beautifully furnished throughout. A modern stabilisation system ensures smooth, comfortable sailing whether underway or at anchor.
