

KING BENJI

Yacht Type: **Motor** • Architect: **Gregory C. Marshall (Canada)**

Length: **47m** • Year Built: **2024** • Cabins: **5** • Guest Capacity: **10**

Description

King Benji is a 47-metre Dunya Yachts motor superyacht delivered in 2024, her interiors bearing the distinguished signature of Design Unlimited of the UK — a brand new vessel of contemporary refinement and immediate presence. Ten guests are accommodated across five cabins — an owner’s suite, two VIP cabins, a king cabin, and a twin cabin convertible to a king — attended by a dedicated crew of twelve.

Cruising at 12 knots with a top speed of 14 knots, King Benji moves through the water with the unhurried confidence of a yacht built to savour every moment of the journey.
