

KOUKLES

Yacht Type: **Motor**

Length: **29.9m** • Year Built: **2008** • Cabins: **4** • Guest Capacity: **8**

Description

Since her arrival on the charter market, Koukles has earned nothing but outstanding praise — with particular admiration reserved for her captain and chef. With Captain Giannis at the helm and Konstantinos conjuring exceptional cuisine from the galley, a charter aboard Koukles is one that guests return from speaking about for years.

Delivered by Azimut in 2008 and thoughtfully refit in 2021 — with exterior and interior upgrades, fresh décor, and new linen, towels, and dinnerware throughout — she strikes a confident balance between contemporary design, generous space, and genuine comfort.

Her deck spaces are expansive and varied. A large foredeck with optional sunshade and sun pads offers a blissfully private retreat at anchor, while the flybridge delivers an entirely different kind of indulgence: comfortable seating, sun pads, a wet bar, BBQ, lounging chairs, and a four-person jacuzzi — all sheltered by a retractable sunroof when the occasion calls for it. The fully covered aft deck provides yet another setting for relaxed alfresco dining. Throughout the yacht, a top-of-the-range Sonos sound system sets the perfect tone for any onboard occasion.
