Description

Liberdade is a 42-metre ISA Yachts motor superyacht that embodies the very best of Italian excellence — striking in profile, sophisticated within, and thrilling underway. Built in 2007 and refit in both 2019 and 2025, her exterior lines bear the signature of Andrea Bacigalupo while her refined interiors are the work of Cristiano Gatto, together creating a yacht of rare and cohesive elegance.

Eleven guests are accommodated across five elegant suites, including a full-beam master suite with his-and-hers en-suite facilities, attended by an experienced crew of seven. With a beam of eight metres and a volume of 319 GT, her proportions are generous — spaces that breathe, flow, and invite genuine relaxation.

Premium materials and understated sophistication define every interior surface, while a top speed of 30 knots ensures that Liberdade delivers as much exhilaration on the water as she does comfort within it. For those who refuse to choose between performance and luxury, she is the answer.
