

MASTEKA 2

Yacht Type: **Motor**

Length: 37m • Year Built: **2009** • Cabins: 5 • Guest Capacity: 12

Description

Masteka 2 is a 37-metre Monte Fino motor yacht whose thoughtfully considered layout and effortless onboard flow have made her one of Australia's East Coast most beloved charter yachts. Now, in 2026, she sets her course for French Polynesia — bringing her signature style of relaxed, well-run luxury to one of the most breathtaking cruising grounds on earth.

Her deck spaces are generous and intelligently designed for the art of doing nothing particularly well. A jacuzzi and sun pads adorn the bow, an expansive upper deck invites hours of unhurried lounging, and a shaded aft dining area transitions seamlessly from long, leisurely lunches to easy evening dinners under the stars. At water level, the swim platform and beach club make the ocean feel like a natural extension of the yacht itself — the perfect place to pause, cool off, and linger with a drink in hand.

Below deck, Masteka 2 wraps her guests in a warmth that is immediately familiar. Polished timber joinery, soft neutral furnishings, and an abundance of natural light create an interior that feels as welcoming as it does refined. Five ensuite cabins — a full-beam master, two doubles, and two convertible twins with Pullman berths — accommodate up to twelve guests in genuine comfort.

Inclusion Zones

Fr. Polynesia, Great Barrier Reef, Australia
