

MICHISAN

Yacht Type: **Motor**

Length: **27.6m** • Year Built: **2025** • Cabins: **4** • Guest Capacity: **8**

Description

Michisan is a contemporary Sanlorenzo SL90A motor yacht whose innovative asymmetrical layout sets her apart from the very first glance — a bold design philosophy that maximises space, light, and comfort in equal measure. Bright, generous interiors and a thoughtfully considered flow throughout reflect Sanlorenzo's latest and most refined approach to yacht design.

Eight guests are accommodated across four elegant en-suite cabins, attended by a crew of four whose quiet professionalism ensures every detail is effortlessly in place.

Outside, her deck spaces invite a life lived largely in the open air — multiple seating and lounging areas for easy socialising, a spacious flybridge perfect for sunbathing, a welcoming aft deck for alfresco dining, and a swim platform that makes the ocean feel like a natural extension of the yacht itself.

Inside, large windows flood the main salon with natural light, creating a calm, refined atmosphere where comfortable seating and an indoor dining area make every moment on board feel genuinely restorative.
