

MIRAGE IV

Yacht Type: **Motor** • Architect: **Princess Yachts**

Length: **40.2m** • Year Built: **2017** • Cabins: **6** • Guest Capacity: **12**

Description

Mirage IV is a 40-metre Princess Yachts motor yacht that distils everything a charter should be — freedom, style, and comfort in effortless measure. Fully refit in 2024, she welcomes up to twelve guests attended by a professional crew of eight, transforming every cruise along the Adriatic into something genuinely memorable.

Twin MTU 12V engines carry her to a cruising speed of 18 knots and a top speed of 23 knots, while a range of around 2,000 nautical miles makes her equally suited to long-distance voyaging and leisurely island-hopping. Her GRP hull and superstructure deliver excellent stability and a smooth, confident ride in all conditions — every mile aboard as enjoyable as the last.
