Description

Mischief is a 54-metre Baglietto motor superyacht of enduring Italian distinction — built in 2006 and comprehensively refit in 2024, she presents with the polish and precision of a modern charter yacht at the height of her powers. Cruising at 12.5 knots with a top speed of 17 knots, she is crewed by fourteen dedicated professionals committed to delivering an exceptional experience at every turn.

Twelve guests are accommodated across six private cabins. The main deck master suite sets the tone — a generous retreat built around a super king-size bed with luxurious en-suite facilities. Two VIP cabins mirror that same standard, each with super king-size beds and private bathrooms, while a further king cabin and two queen cabins ensure every guest enjoys their own comfortable sanctuary.
