

MOONGLIDER

Yacht Type: **Motor**

Length: **28.3m** • Year Built: **2004** • Cabins: **3** • Guest Capacity: **6**

Description

From her striking Leopard Yachts exterior to her warmly appointed interiors, this sports cruiser is a yacht that earns its admiration at every turn. Modern and luxurious in design yet genuinely comfortable in feel, she strikes that rare balance between style and ease that makes time on board entirely effortless.

After long days of island hopping, water adventures, and exploration, her inviting spaces welcome guests back with open arms — sun beds for those who aren't ready to leave the warmth behind, and a relaxed indoor lounge for dining and unwinding as the coastline drifts past.

Three cabins accommodate up to six guests overnight: a master cabin with a king-size bed, a VIP guest cabin with a queen-size bed, and a twin guest cabin — each a comfortable retreat at the end of a perfect day.
