Length: **24.6m** • Year Built: **2018** • Cabins: **4** • Guest Capacity: **8**

Description

Moonshot is a 24.64-metre Sanlorenzo motor yacht built in 2018, her interiors bearing the distinguished creative vision of Marty Lowe and Piero Lissoni — a pairing that brings both warmth and architectural precision to every space on board. Eight guests are accommodated across four cabins — a master, a VIP, a twin, and a bunk cabin — attended by a crew of three.

Cruising at 25 knots with a top speed of 30 knots, Moonshot moves through the water with the kind of effortless speed that makes every destination feel closer than it is.
