

NATURAL 9

Yacht Type: **Sailing** • Architect: Carr Design

Length: **39.6m** • Year Built: **2009** • Cabins: **5** • Guest Capacity: **11**

Description

This 130-foot Sunseeker 40M is the definitive choice for those seeking a five-star superyacht experience along the turquoise waters of Florida, the Bahamas, and the Keys — available for day charters of four, six, or eight hours, as well as extended term charters.

At 130 feet, she strikes a rare balance: large enough to deliver serious luxury across multiple decks and up to six staterooms for ten to twelve guests, yet nimble enough to access the exclusive coves, harbours, and marinas that larger yachts simply cannot reach. Stabilisers and a deep-V hull ensure a smooth, confident ride even in moderate seas, while a cruising speed of 12–14 knots and a top speed of around 20–25 knots keep her well ahead of the fleet.

On board, every detail has been considered. A flybridge jacuzzi soothes the body after a full day on the water, a sauna offers genuine wellness indulgence, and expansive entertainment areas — wet bar, alfresco dining, and lounge spaces — create the atmosphere of a floating five-star hotel. Her water toy collection ensures the fun never stops, and a crew of five to seven — captain, chef, and stewardesses included — handle everything from navigation and meals to watersports instruction with seamless professionalism.

Inclusion Zones
