Description

Northern Escape is a 41-metre Benetti Oasis motor yacht offering the very finest in bespoke charter — where exceptional service and custom-designed spaces set the tone from the moment you step aboard.

Her interiors are bathed in natural light, built around a formal dining room with two impressive wine cellars, a private salon, and an adjoining terrace. The upper deck is made for long, indulgent days — a jacuzzi, sun beds, bar, grill, and alfresco dining for twelve guests all share a space designed for effortless entertaining. Below, the main deck salon offers unobstructed ocean views from the comfort of deep, soft white sofas.

Twelve guests are accommodated across a flexible cabin layout, anchored by a full-beam main deck master suite complete with a private office, dressing rooms, and his-and-hers bathrooms with steam shower.

The beach club is perhaps Northern Escape's finest flourish — the swim platform flows seamlessly into the main deck infinity pool, while two fold-down sea-level platforms extend outward to create a breathtaking waterside terrace unlike anything else afloat.
