Description

Ocean Breeze is a 46-metre motor yacht of opulent scale and effortless elegance, accommodating twelve guests across six ultra-luxurious cabins — a master, a VIP, three doubles, and a twin — attended by a crew of seven committed to a seamless and indulgent charter experience.

A warm colour palette, high-quality finishes, and floor-to-ceiling windows on every deck create living spaces that are bright, welcoming, and thoroughly refined. The main salon is a particular highlight — massive open windows and sliding glass doors invite natural light to flood every corner, blurring the line between interior comfort and the open sea beyond.
