Description

Pareaki II is a 39.08-metre Italian motor yacht of enduring elegance, her design bearing the distinguished signature of Roberto Del Re — a name synonymous with exceptional stability and supreme onboard comfort. Following a thorough refit in 2023, she presents six beautifully appointed cabins welcoming up to twelve guests in truly privileged surroundings.

On deck, alfresco dining and a jacuzzi invite guests to linger in the warmth of the open air, while the interiors make an equally compelling case for staying close to home. Panoramic windows draw natural light deep into the contemporary saloon, where neutral tones and plush furnishings create a sanctuary of calm that carries throughout the entire yacht.

Pareaki II is a vessel that wraps her guests in quiet, considered luxury from the moment they step aboard.
