

PAZIENZA

Yacht Type: **Motor**

Length: **35m** • Year Built: **2024** • Cabins: **5** • Guest Capacity: **11**

Description

Brand new and built to leave a lasting impression, Pazienza is a 34.9-metre explorer yacht from Cantiere delle Marche that redefines the art of travelling well. Delivered in 2024 and bearing the distinguished design signature of Francesco Paszkowski, she arrives on the charter market with undeniable presence and a clarity of purpose that sets her apart from the moment you step aboard.

Her layout has been conceived with rare intention — a master suite on the main deck, a VIP stateroom on the upper deck, and four guest cabins below create a natural rhythm of privacy and togetherness that works beautifully for families, close friends, and charter groups alike. The interiors are warm and layered, with a considered elegance that draws you in and invites you to stay — less superyacht, more boutique hotel that moves with the tides.

Built for long-range exploration, Pazienza carries the stability, range, and thoughtful infrastructure to make extended voyages feel effortless rather than ambitious. She is a yacht designed not merely to arrive, but to make the journey itself the destination.

Inclusion Zones

Whitsundays, Fiji, Australia
