Length: **50m** • Year Built: **2016** • Cabins: **6** • Guest Capacity: **12**

Description

Provocateur is a yacht reborn. Originally designed by Hot Lab Yachts & Design in 2016 and comprehensively transformed inside and out by Ozge Van and shipyard B&I in 2023/2024, she emerges from her refit as something altogether extraordinary — a 165-foot superyacht that looks and feels entirely new.

Six en-suite cabins, including a main deck master suite, provide beautifully appointed accommodation for guests who expect nothing less than the finest. A gym, sauna, and a striking bow swimming pool elevate the onboard experience further still, while the enhanced beach club offers the perfect setting for relaxed, sun-drenched afternoons at the water's edge.

With low engine hours and a full refit behind her, Provocateur represents a rare opportunity to charter a yacht of this calibre — bold, contemporary, and impossible to ignore.
