Description

Rebel is a 30-metre traditional phinisi yacht, handcrafted in Sulawesi in 2020 with the same time-honoured artistry that has defined Indonesian seafaring for centuries. She accommodates up to ten guests across five cabins and four generous common areas, with a fine wine cellar and an open-air cinema under the stars adding a touch of the unexpected.

Her interiors tell a story all their own — hand-woven fabrics, intricate carvings, and richly layered textures create a space that is equal parts modern laid-back luxury and raw tribal soul. Aboard Rebel, the spirit of Indonesia isn't simply the backdrop. It's woven into every detail.
