Description

Fresh from a thorough 2023 refit, this 96-foot Sunseeker 95 is a study in British craftsmanship and contemporary elegance, available for charter across Florida, the Bahamas, and the Florida Keys. Whether for a day on the water, an extended voyage, or a special occasion, she welcomes up to thirteen day guests or eight overnight, delivering adventure and sophistication in equal measure.

Her sleek profile and expansive windows make an immediate impression, while updated teak decking and luxurious refit finishes ensure the interior and exterior feel entirely current. The main deck is built for convivial outdoor living — a bar with stools and a BBQ grill set the scene for relaxed alfresco dining, while the foredeck's plush sun pads invite long, sun-drenched afternoons. Above, the spacious flybridge offers panoramic views and generous entertaining space that proves difficult to leave.
