

SENJA

Yacht Type: **Sailing** • Architect: Pacific High

Length: **31m** • Year Built: **2021** • Cabins: **2** • Guest Capacity: **4**

Description

Senja is a yacht conceived for those who prize privacy above all else. A single, beautifully appointed master cabin of 25 square metres — complete with a private terrace and sun deck — creates an experience that feels entirely, wonderfully your own. A second cabin of 16 square metres is available for those wishing to bring two additional guests along for the journey.

Intimate by design and premium in every detail, Senja is the perfect retreat for those who simply want to disappear into the sea.
