

NORTHERN ESCAPE 2

Yacht Type: **Gulet** • Architect: **M Saleh**

Length: **30.5m** • Year Built: **2017** • Cabins: **3** • Guest Capacity: **6**

Description

Sequoia is a 30-metre hand-crafted wooden schooner born of four years of devoted, hands-on craftsmanship — a labour of love by her owner that shows in every detail. Designed to explore Indonesia's breathtaking 18,000-island archipelago, she is intimate, beautifully considered, and built to feel like home from the moment you settle in.

Timeless in her construction yet thoroughly modern in her systems, Sequoia places safety and ecological consciousness at the very heart of her design. Low-consumption systems, advanced sanitation, and cutting-edge materials enabling near-silent sailing under canvas all combine to minimise her footprint on the extraordinary waters she calls home. Single-use plastics have no place on board — a quiet but meaningful commitment to the ocean that sustains her.
