Description

Song of Songs is a 42.2-metre motor yacht of striking Italian design, delivered in 2022 and crafted entirely by VYD Design — inside and out. Her signature feature is light itself: floor-to-ceiling windows and glazed bulwark cut-outs dissolve the boundary between interior and ocean, framing infinity views from virtually every corner of the yacht.

The main saloon flows between a forward dining room and a lounge and bar area, separated by a statement TV installation. Above, the sun deck offers shaded dining for twelve, lounge seating, a bar, and a versatile aft space that adapts effortlessly to the mood of the moment. A jacuzzi on the foredeck, an air-conditioned beach club cabana, and a tender garage with horizontal davits complete a thoroughly considered deck layout.

Twelve guests are accommodated across six suites, crowned by an upper deck owner's suite with its own private terrace. Twin Caterpillar engines deliver a cruising speed of 13 knots, a top speed of 19 knots, and a range of 2,000 nautical miles — more than enough to follow the horizon wherever it leads.
