

WALLY ONE

Yacht Type: **Motor** • Architect: **Luca Brenta**

Length: **25.2m** • Year Built: **1991** • Cabins: **3** • Guest Capacity: **6**

Description

Wally One is more than a yacht — she is a piece of history. The very first vessel to bear the Wally name, built in 1991, her design was so far ahead of its time that it fundamentally changed the world of superyachts and set the course for everything that followed. Decades on, she remains as visually arresting and relevant as ever.

Conceived as a luxury cruising yacht with the performance soul of a maxi-racer, Wally One emerged from an extensive 2021/2022 refit with a thoroughly refreshed interior and exterior, ready to write her next chapter. She accommodates up to six guests with a crew of four, and with a wide range of water activities and sports on board, she is a natural choice for families seeking adventure without compromise.

To sail on Wally One is to sail on a legend.
