Description

Xana is a 45-metre Codecasa motor yacht utterly reborn — a total rebuild in 2021 that earned her a prestigious nomination at the 2022 World Superyacht Awards for Best Rebuilt Yacht. Formerly known as Ouranos Too, she emerges from her transformation as a vessel of genuine sophistication, her enhanced luxury and contemporary appointments leaving little trace of what came before.

Three expansive decks of outdoor space define the onboard experience. The sun deck invites long, indulgent afternoons with ample lounge seating, a freestanding bar, and a jacuzzi perfect for social gatherings or quiet relaxation. The bridge deck offers shaded alfresco dining in an intimate setting, where elegant meals and easy conversation flow with equal grace.

Inside, large windows flood the main deck areas with natural light, creating a seamless connection to the seascape beyond. The open, contemporary layout and meticulously designed cabins strike a balance between refined elegance and genuine comfort — spaces that invite guests to truly unwind.
