Description

YCM Fifty is a 50.29-metre Oceanfast motor superyacht with a story spanning decades — built in 1989 and comprehensively refit in 2024, she presents today with the polish and refinement of a yacht entirely reimagined. Formerly known as High Occupancy, she accommodates twelve guests across six en-suite cabins — three kings and three queens — attended by a crew of nine.

Cruising at 12 knots with a remarkable top speed of 30 knots, YCM Fifty carries the pace and pedigree of her Oceanfast heritage, now wrapped in the very best of contemporary finish.
